Royal on the Park's Success in the Accommodation Industry

Brisbane, 8th August 2007.

Royal on the Park Hotel is proud to announce their achievement of winning the 2007 Hotel Motel Accommodation Association (HMAA) industry awards for Best 4.5 star hotel in Queensland.

HMAA is recognised as the leading authority in the accommodation sector within Australia. HMAA represents accommodation establishments from 5 Star to Bed and Breakfasts, (HMAA website, 2007). HMAA also hosts industry awards where organisations can enter and be recognised for excellent business practice.

The cream of the Queensland Accommodation industry came together for the Hotel Motel and Accommodation Association's 2007 Queensland Awards for Excellence on Friday the 3rd August. Over 300 leaders of the Queensland's Tourism Industry and Accommodation industry attended the function.

Royal on the Park was acknowledged as the best 4.5 Star hotel and is a testimony to what the hotel offers its guests. "I am proud to be the General Manager of this excellent hotel as we have so much to offer the market place from both our products and service standards" said Mark Evans.

Royal on the Park prides itself on offering the best quality product and service to all guests and clients and of course with over 35 years in Brisbane the hotel matures with quality and elegance.

According to HMAA, Queensland, more than any other part of Australia, really understands and values tourism, so to be recognised as a leader in this state tells a story about the commitment to being the best and achieving the highest standards.

Congratulations to everyone at Royal on the Park.
