Granite Belt and Ballandean Estate Wines

The region has a growing reputation as one of Australia's top producers of alternative variety wines – known here as Strange Bird.

To be called an alternative, a variety must represent not more than 1% of the total bearing vines in Australia as defined by Wine Australia

Enjoyed in Europe for generations, these alternative varieties are now emerging as Australian favourites due to their ability to match perfectly with our food preferences.

2018 Merlot

Rich fruit driven palate with a smooth lingering finish, punches well above a traditional Merlot

2019 Fiano

\$13.00 / \$65.00
